The seven questions before a change

One per change. The wording of the requirement is in the licensed copy; these are the questions a process owner answers. Seven short answers, dated and signed, meet it. Seven ticked boxes do not.

Change: _____ Requested by: _____ Date: _____

1. **Why, and what could it do** (intended and not)

2. **What it does to the system as a whole**

3. **What it needs** (people, time, equipment, access, training)

4. **Who is responsible for what**

5. **What has to be known before deciding** (new in 2026)

6. **How the people affected will find out, and how we will know they did** (new in 2026)

7. **How anyone will know it worked** (what, when, who; new in 2026)
